The owner(s) of each designated property shall receive a free one (1) year membership to the APTA and the APTA will participate in a "marking" ceremony at the designated property to install an APTA descriptive marker. The marker will cite the traditional name of the home or place, the year of construction and that the site has been designated as a historic site by the APTA. The cost of the APTA marker to the applicant is \$500. Payment is required thirty (30) days before the marking ceremony. The owner(s), by signing below, hereby agrees to these conditions and procedures, and agrees to use his or her best efforts to cooperate with the APTA in this process.
